

How does it work?

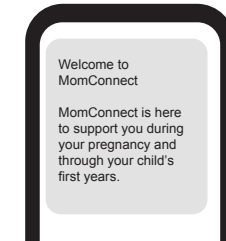

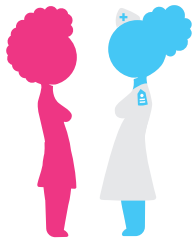

A pregnant woman or mom can register for MomConnect by sending “join” on WhatsApp to 079 631 2456 or dialling *134*550*2#

She can register by scanning this QR Code

She will need the relevant clinic code from a nurse at a public clinic to finish the registration

1 A nurse confirms the pregnancy and provides the 6-digit clinic code.

2 The mom sends “join” to 079 631 2456 on WhatsApp or dials *134*550*2#.

3 She answers a few simple questions about her pregnancy.

4 She is registered on MomConnect - Welcome!

5 The pregnancy is added to the national database.

6 The mom receives weekly WhatsApp or SMS messages of support during her pregnancy and her baby’s early years.
