

Pharmacy Month 2024

LET'S TALK ABOUT
VACCINES!

#PharmacyMonth2024

#GetVaccinated

#AskYourPharmacist

- ▶ If you are vaccinated, you have chosen a safe, effective way to protect yourself, your family, and your community from getting seriously ill from vaccine preventable diseases.
 - ▶ If you are not vaccinated, you are not protected.
 - ▶ There are different vaccines for different stages of life.
 - ▶ Ask your pharmacist which vaccines can be given today.

You can catch up on missed vaccinations today!
